ICICI Lombard

Flutter Developer Consultant

May 2019 - December 2019 (8 months)

Mumbai Area, India

ICICI Lombard is a great company and it was great to work with them as a consultant for Flutter, Android, and Firebase too. I had a great team there. I participated in ICICI Lombard Hackathon where I was responsible for developing and maintaining three flutter applications. I had exposure to real-time project management, development and iterations. Thanks ICICI Lombard for lifting up my career.

FitPhilia Solutions Private Limited

Software Engineer

August 2017 - May 2019 (1 year 10 months)

Andheri

FitPhilia is an Ideal company for me with great leaders and team. My transition from a noob programmer to a professional programmer took place in FitPhilia

under the guidance of leaders of the company. This was a place where I learned how startup works in real world.
